

TRANSFORMING PROJECT MANAGERS INTO PROGRAMME LEADERS

3 day interactive and practical
workshop using a project simulation

IMPACT

Develop a deeper personal awareness of your impact on all project stakeholders and your team.

TRUST

Identify how to build increased levels of trust, generating followership from your team and respect from your peers.

INVOLVE + DIRECT

Learn how to use a range of behaviours to effectively lead your programme.

GIVE FEEDBACK

Develop your skill in giving timely feedback to others on their actions and behaviours, keeping programme deliverables on track.

The simulation Wallbreakers™ is a product we use under license from
